EngageStJohns.ca

On Monday, April 13, construction is scheduled to begin on a new roundabout at the intersection of Portugal Cove Road, Major's Path and Airport Heights Drive.

Work is expected to continue until the end of 2026.

The City will make every effort to minimize impacts, including implementing the following minimum traffic lane requirements throughout the duration of the project:

Portugal Cove Road: One lane of traffic will remain open in each direction at all times.

Major's Path and Airport Heights Drive: One lane will remain open in each direction during peak traffic hours (7 to 9 a.m. and 4 to 6 p.m.). At other times, traffic may be reduced to one shared lane for both directions.

Expect disruptions, including lane reductions and slower traffic. Motorists are encouraged to plan ahead and allow extra time to reach their destination.

You can follow progress for this project at **EngageStJohns.ca** or scan the QR code.
