ST. JOHN'S

Volunteerism

- The City wanted to learn more from City Influencers about their interest in, and experience with, volunteering.
- The City offers various volunteer opportunities as do many other community organizations throughout St. John's. Volunteerism is one way people can connect with each other and contribute to the community.

n=19

Results

The City has a number of advisory committees and working groups that provide perspective on a variety of City initiatives, strategies, and programs. Periodically, the City seeks new members to volunteer with these committees and working groups. Is this a volunteer opportunity you would be interested in?

n=19

Anything else that you would like to tell us about this topic?

- I would enjoy volunteering more in the summer when I am off work
- Need a big database of all the opportunities in the city overall, not just with the City of St. John's
- I think volunteering is awesome and very important! I just personally don't have a lot of free time to balance my full-time job, social life, and home life
- Need a central place for organizations to advertise positions that is updated regularly, so people don't feel overwhelmed to get involved

n=4

A decorative teal gradient bar at the bottom of the slide, transitioning from a darker teal on the left to a lighter teal on the right.
