ST. JOHN'S

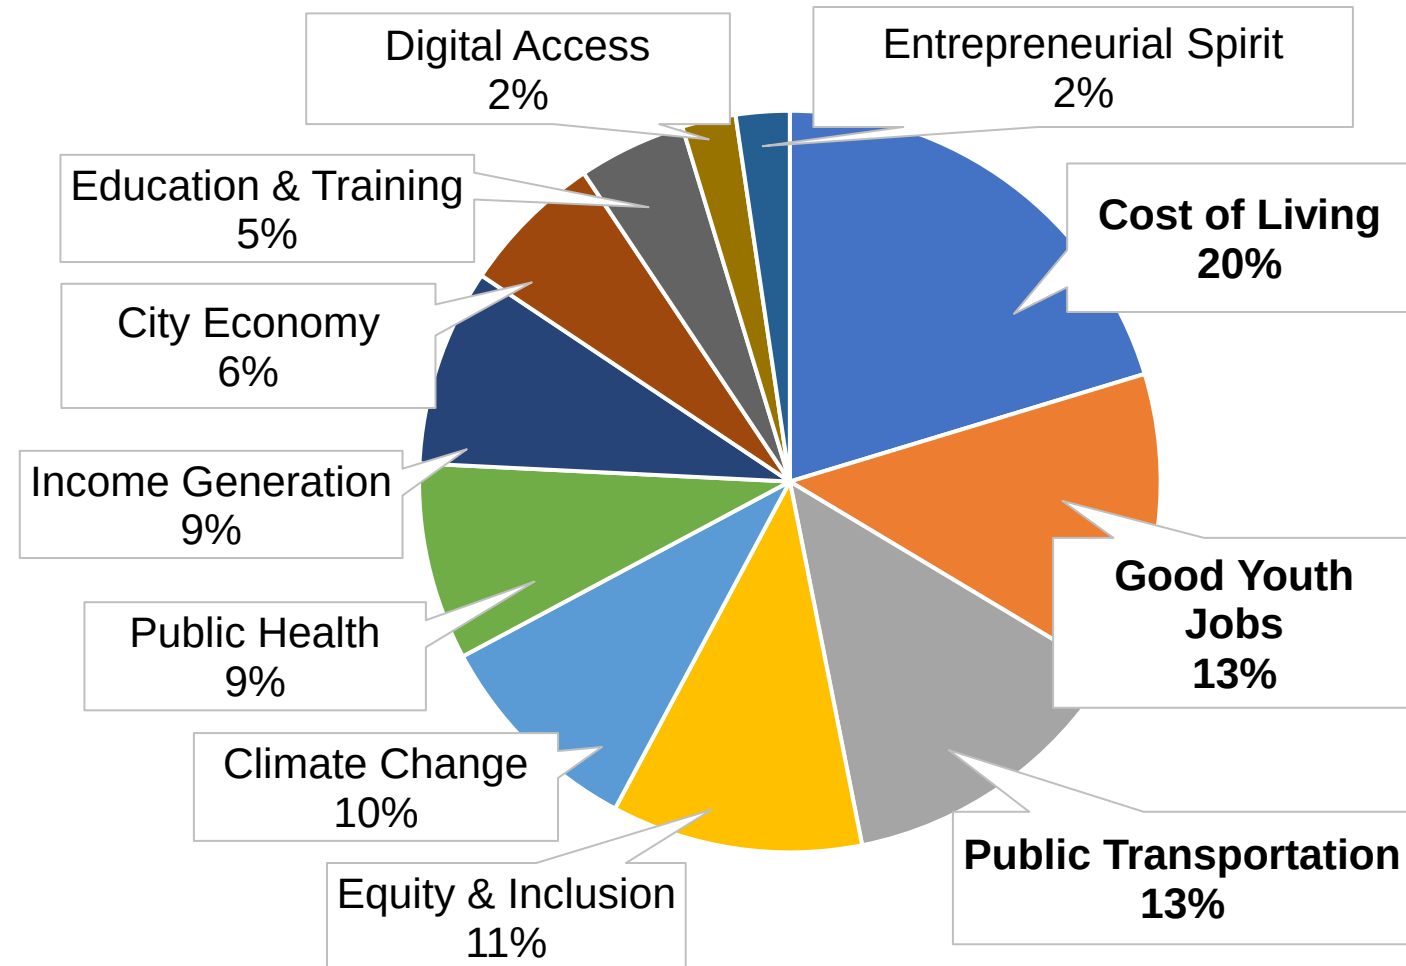

Youthful City Indicators

The RBC Youthful Cities index measures 11 indicators of how youthful a city is. The City of St. John's wants to know which of these indicators are the most important to you, the next generation, when thinking about the City as a place where you want to stay, live, study, and/or work. Which of these indicators are important to you (select as many as apply)?

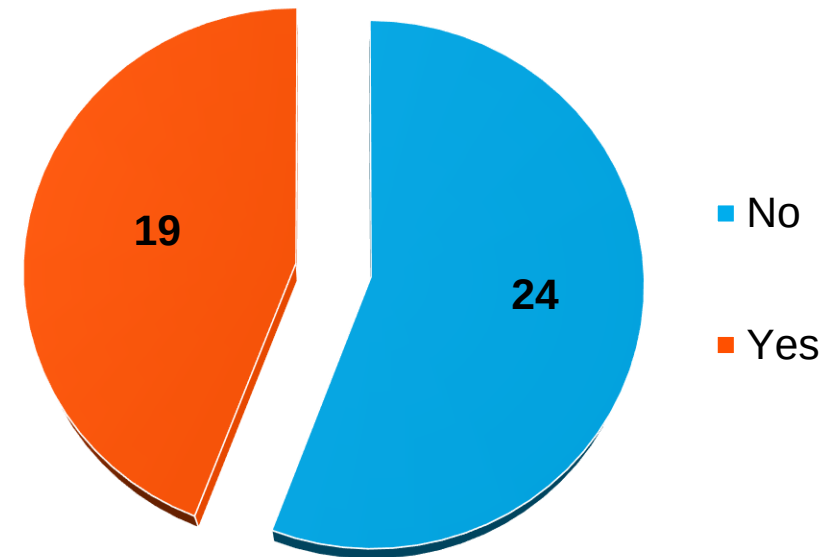

Youthful City Indicators

Which indicators require the most focus from the City to improve its appeal as a youthful city? You may select up to 3.

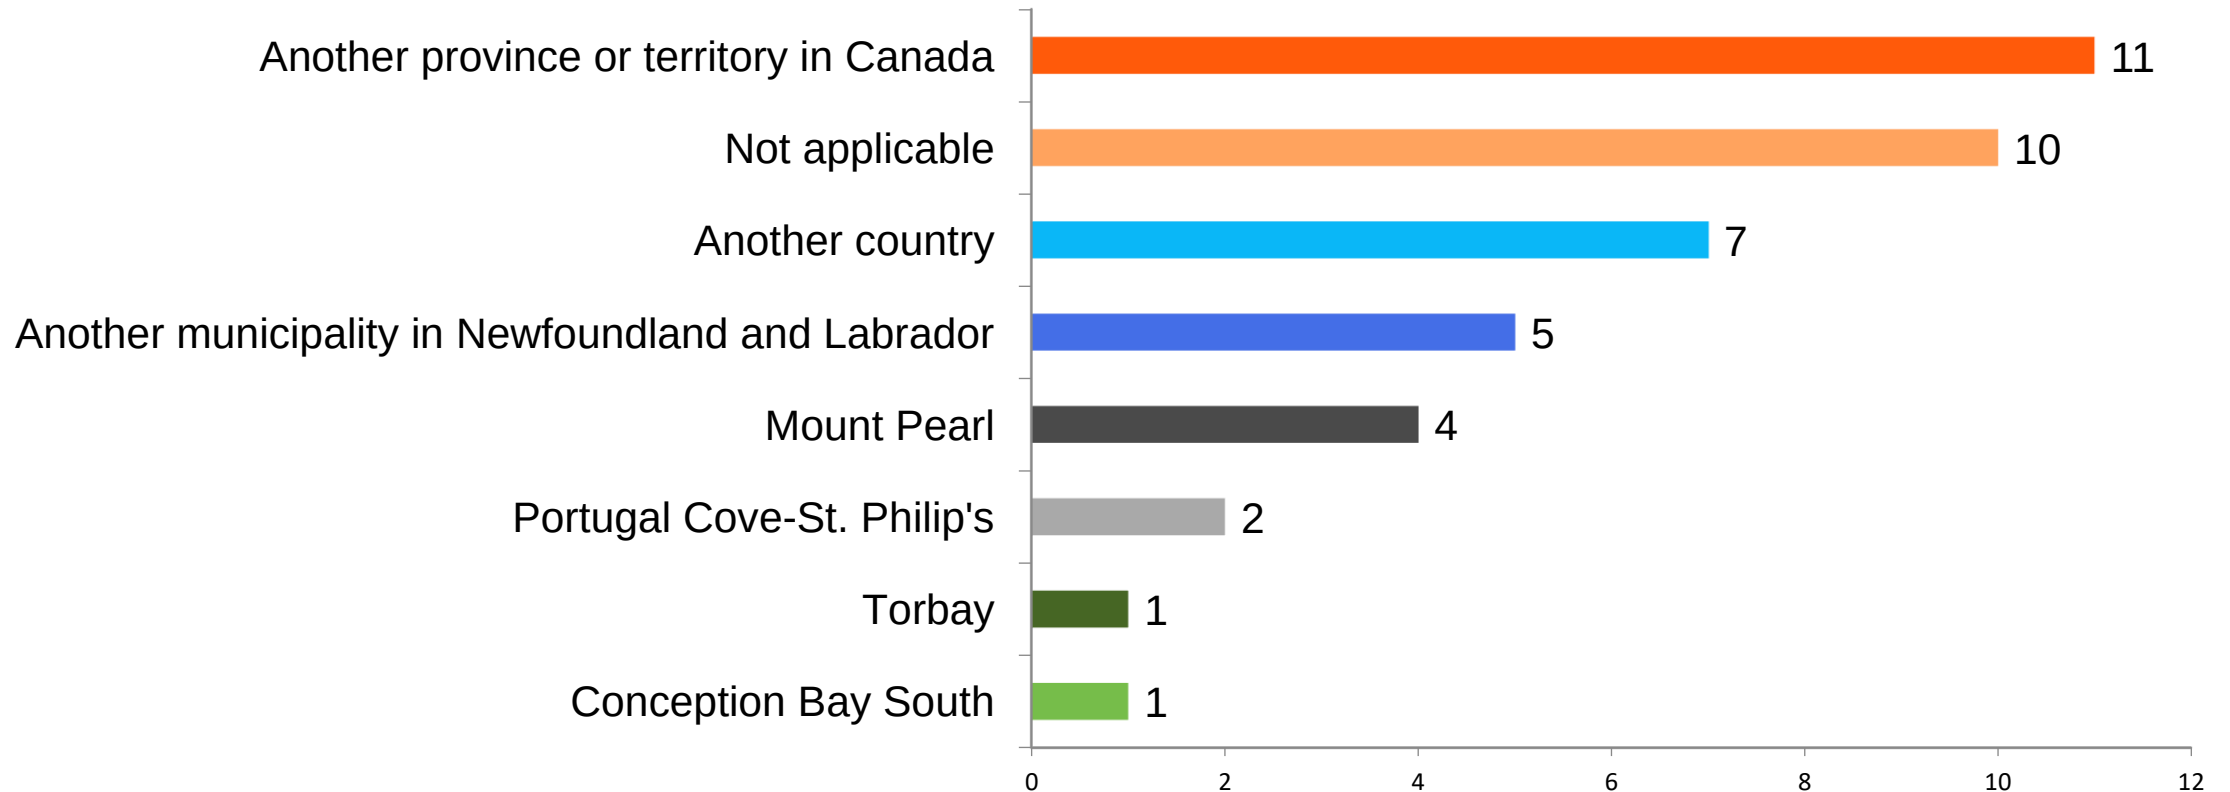

Youthful City Indicators

Are you a student?

Youthful City Indicators

If you are not originally from St. John's, which of the following best describes where you are from?

n = 43

OUR CITY. OUR FUTURE.

New surveys and survey results will be published monthly.
