

OUR CITY. OUR FUTURE.

Youth Engagement Panel

Survey Eight Results

**Arts & Culture, Active Transportation
and Parks, Trails & Open Spaces**

December 2022

ST. JOHN'S

Arts & Culture, Active Transportation and Parks, Trails & Open Spaces

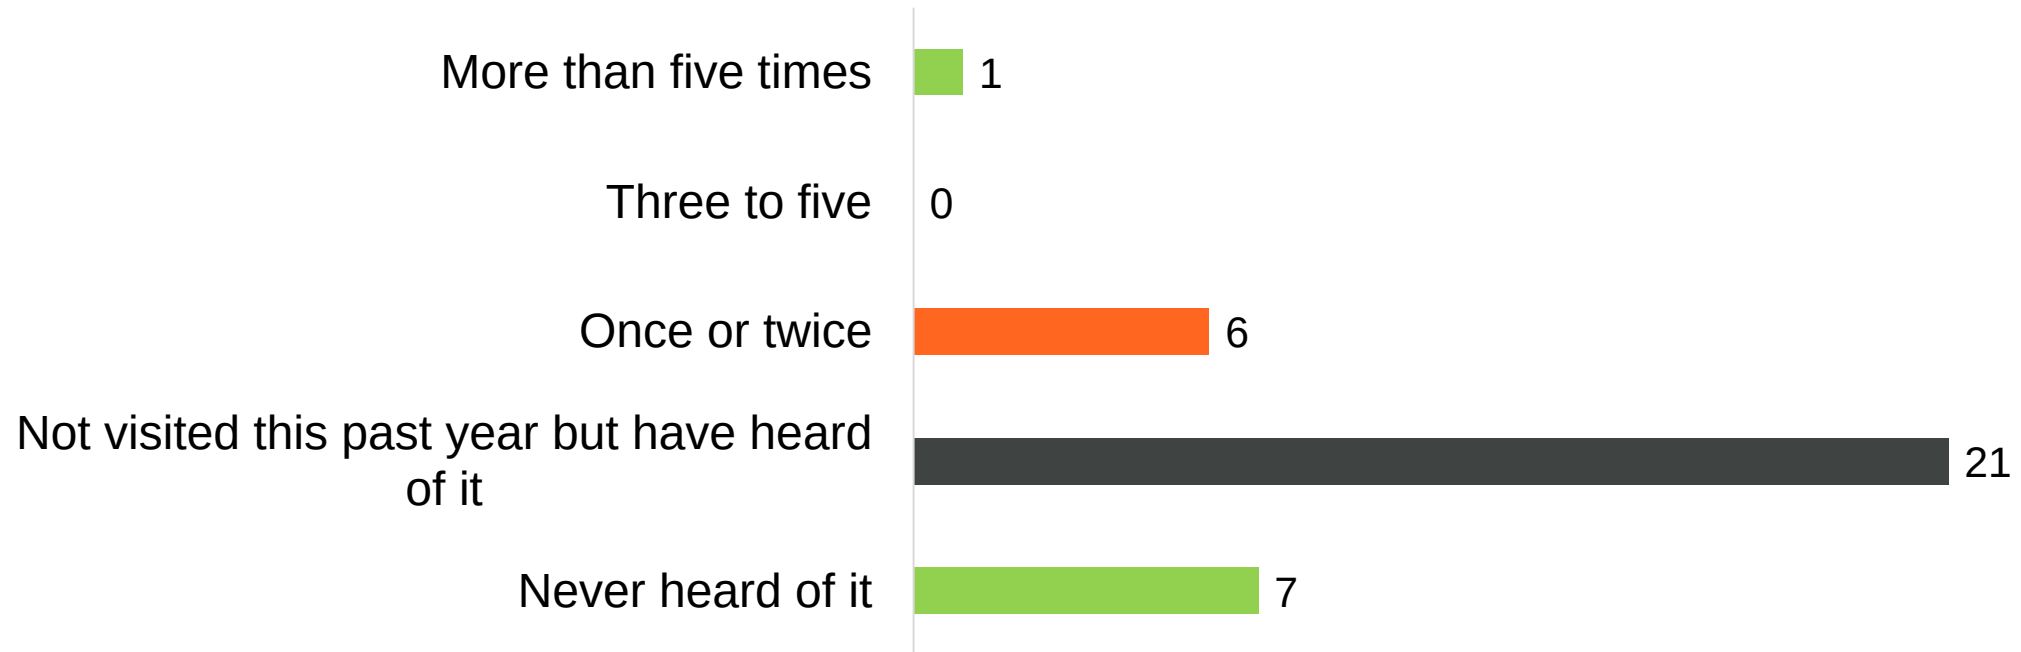

This panel survey was designed to help inform the three topics of conversation for the Youth Forum that was held on Nov. 29th.

The Youth Engagement Working Group and City staff reviewed responses in preparation for the Youth Forum and will consider responses in decision-making going forward.

Arts & Culture, Active Transportation and Parks, Trails & Open Spaces

How often have you visited the following in the past year?

Pump Track at Quidi Vidi Lake

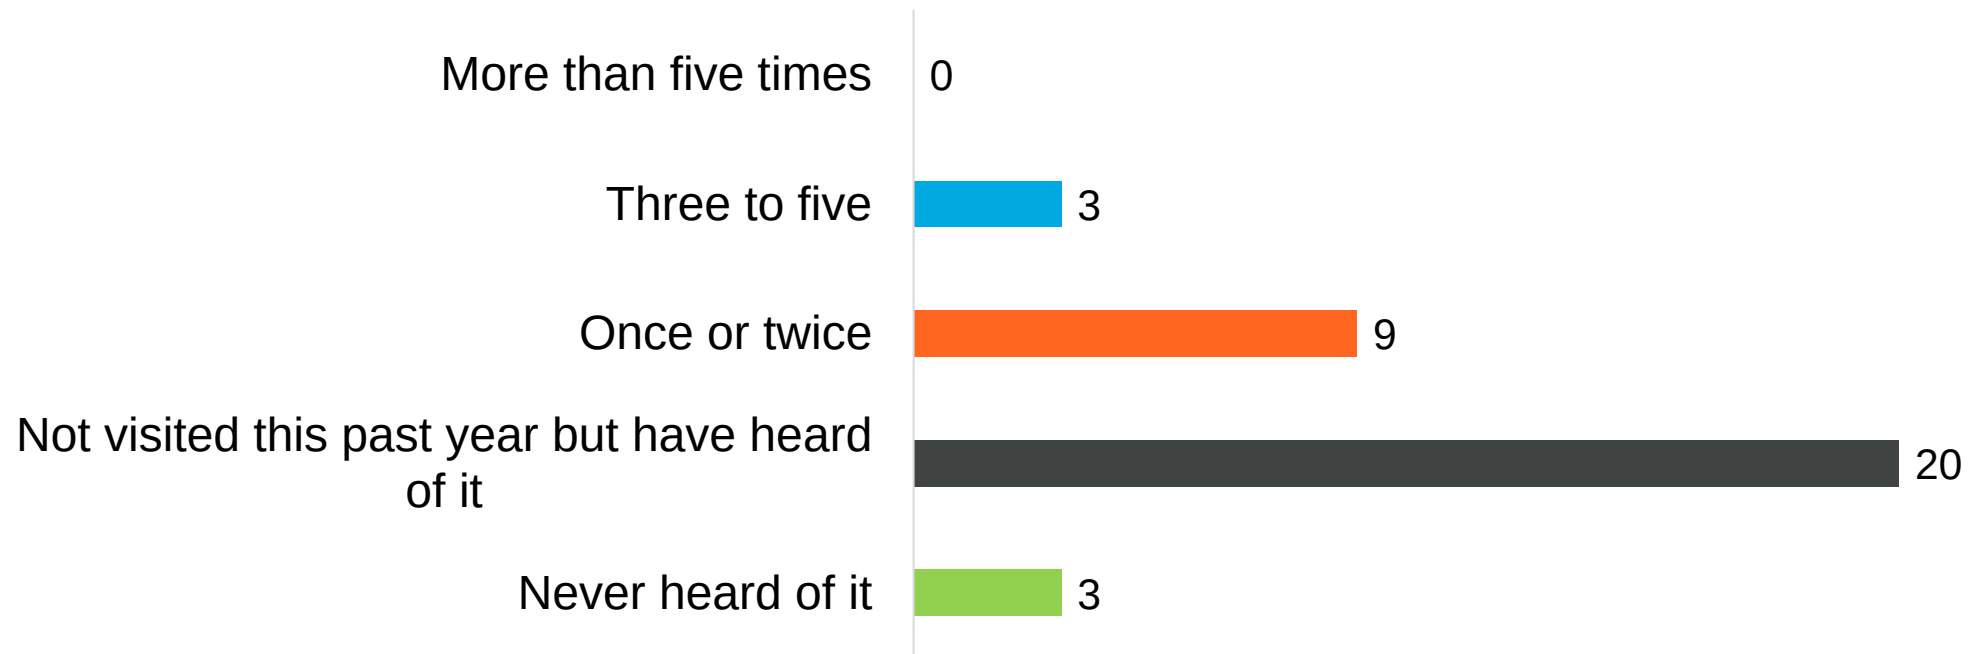

n = 35

Arts & Culture, Active Transportation and Parks, Trails & Open Spaces

Arts & Culture, Active Transportation and Parks, Trails & Open Spaces

Which types of cultural activities have you participated in within the past year? (Select all that apply)

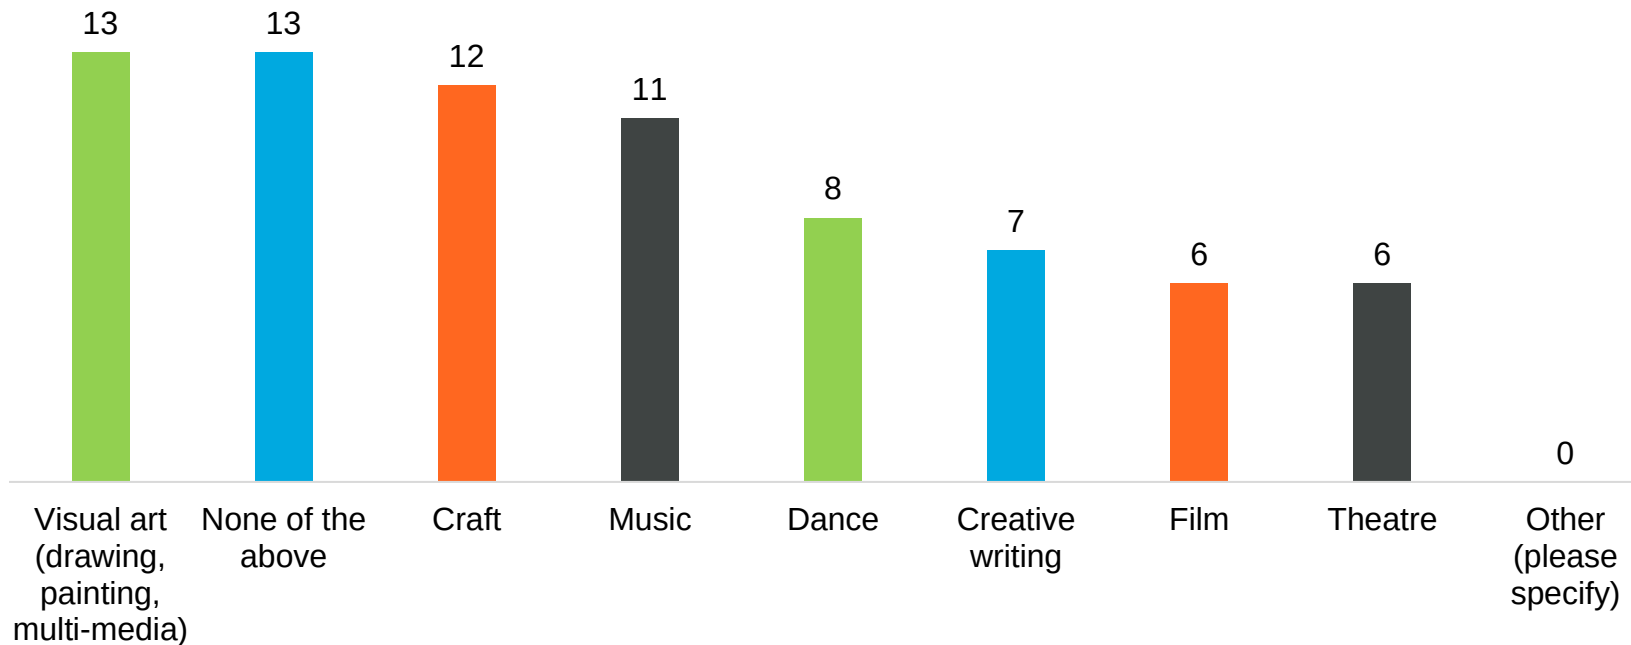

n = 35

other = protest, community organization

Arts & Culture, Active Transportation and Parks, Trails & Open Spaces

In which of the following arts and cultural activities have you participated as a creator, on your own or in a class? (Select all that apply)

n = 35

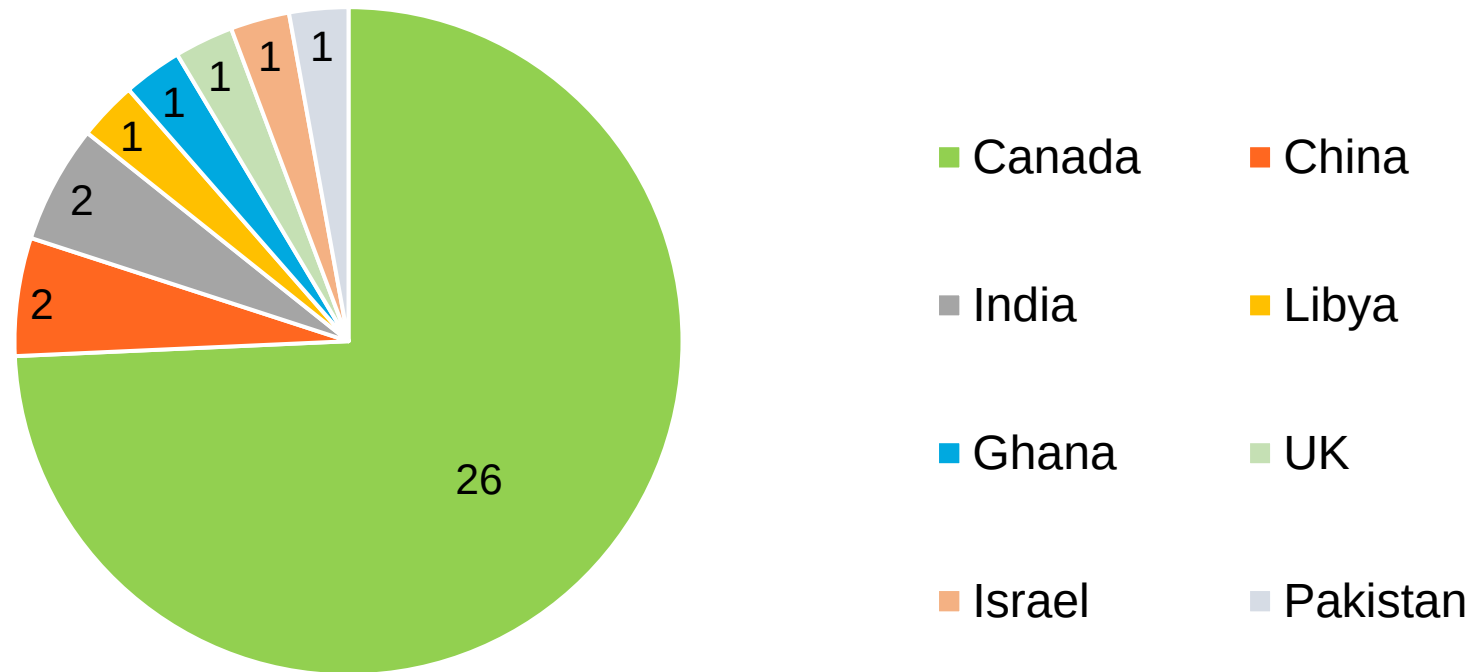

Arts & Culture, Active Transportation and Parks, Trails & Open Spaces

What types of arts and cultural activities would you like to take part in that are not currently available?

- Independent cinema
- Traditional crafts workshops and multicultural workshops
- Improv
- More public art and murals. I would like more open air, outdoor music activities.
- Music, all ages concerts, street markets, neighbourhood block parties
- Poetry
- Photography and woodworking
- Free or reduced priced workshops
- Cultural poetry events
- More opportunities for arts and culture in the city for parents of very young kids and babies
- Ethnic food/street festivals
- I know groups are out there, they just might not be local to St. John's and take place over the internet. (niche nerd stuff like Video games, Pop-Politics, DnD, etc.)
- Drive in movies
- More digital/tech-forward arts and cultural activities like immersive exhibitions and spaces for creators.
- Knitting classes
- Graphic design
- Piano lessons
- Taxes and mill rates explained virtual class(es)
- Comedy
- Dancing
- Cooking
- More events that represent our international community would be cool
- Any additional cultural activities, like asking indigenous locals what kind of creative or cultural activity they would like to see happen.
- Concerts for mainstream artists

Arts & Culture, Active Transportation and Parks, Trails & Open Spaces

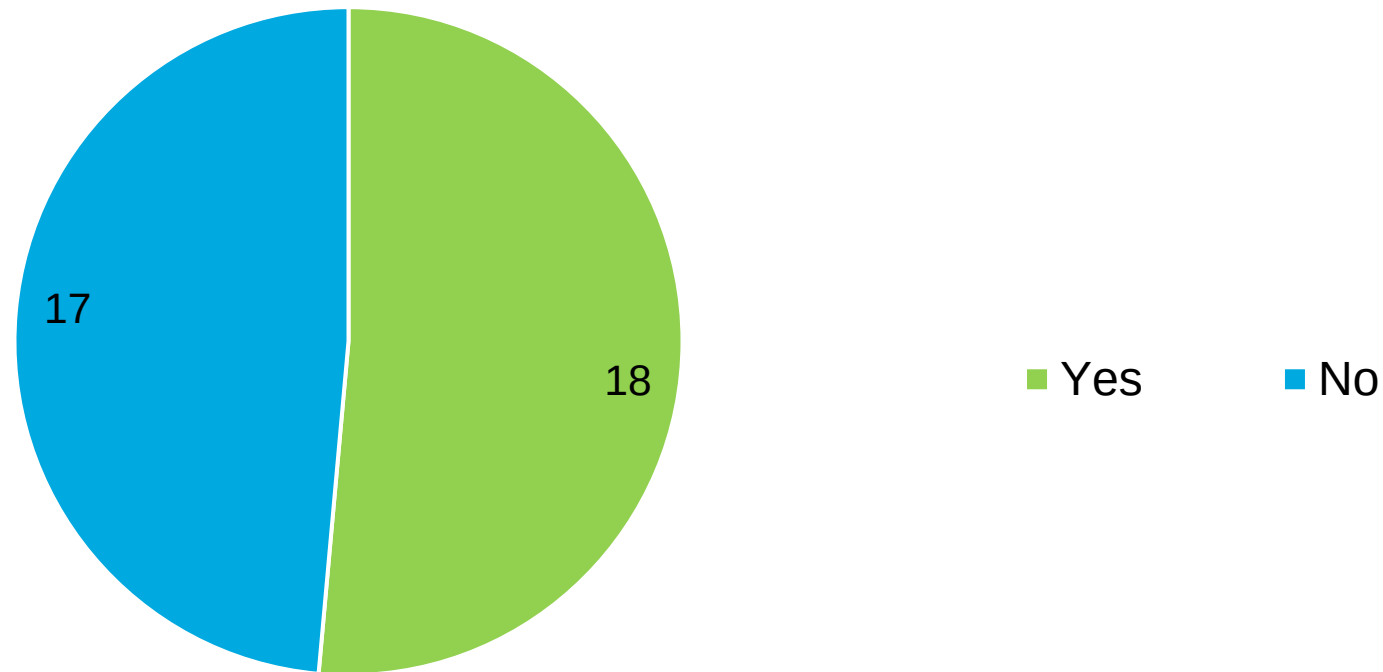

What is your country of origin?

n = 35

Arts & Culture, Active Transportation and Parks, Trails & Open Spaces

Are you currently a student?

n = 35

Arts & Culture, Active Transportation and Parks, Trails & Open Spaces

Do you have any other comments related to the three topics in this panel you would like to share?

- Bike safety/infrastructure (5)
- Changing car culture (2)
- Alternate transport (2)
- Pump track feedback
- Development of green spaces
- Timely clearing of sidewalk in winter
