A New Shared-Use Path is Coming to Your Neighbourhood!

We are building a 2.6 km paved shared-use path to connect Airport Heights to the Paul Reynolds Community Centre.

Starting mid-September, work will begin on the section from the Outer Ring Road to Torbay Road. The project is scheduled to be completed by fall 2026. Expect traffic delays, lane reductions, and sidewalk closures in the work area.

ST. JOHN'S

The City of St. John's will provide updates on traffic interruptions and progress throughout the duration of the project.

You can follow along at **EngageStJohns.ca** or sign up to receive information to your email at **St.Johns.ca/Subscribe** or scan QR code.
